

linear multi-fidelity model fit to low and high fidelity functions

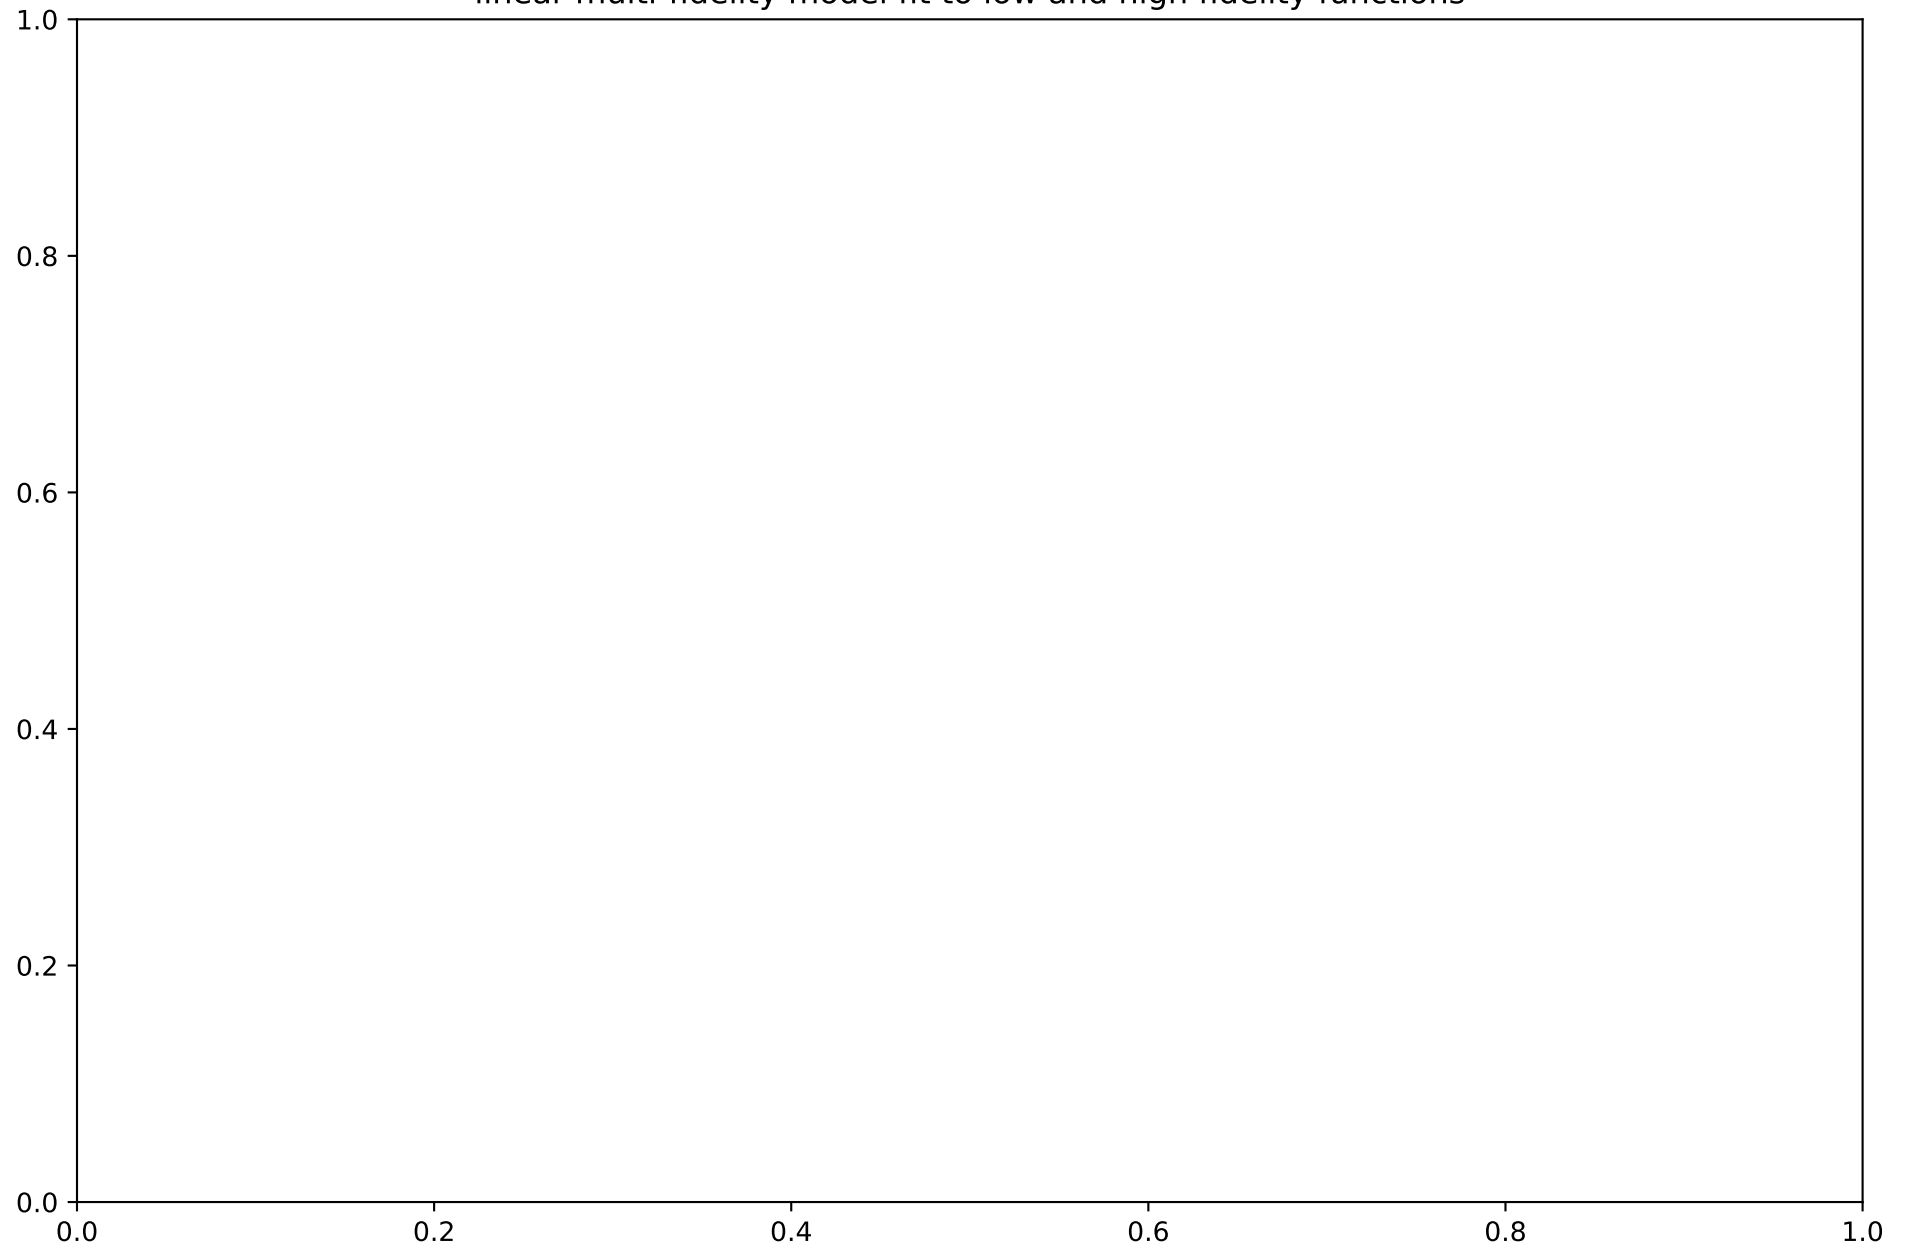

linear multi-fidelity model fit to low and high fidelity functions

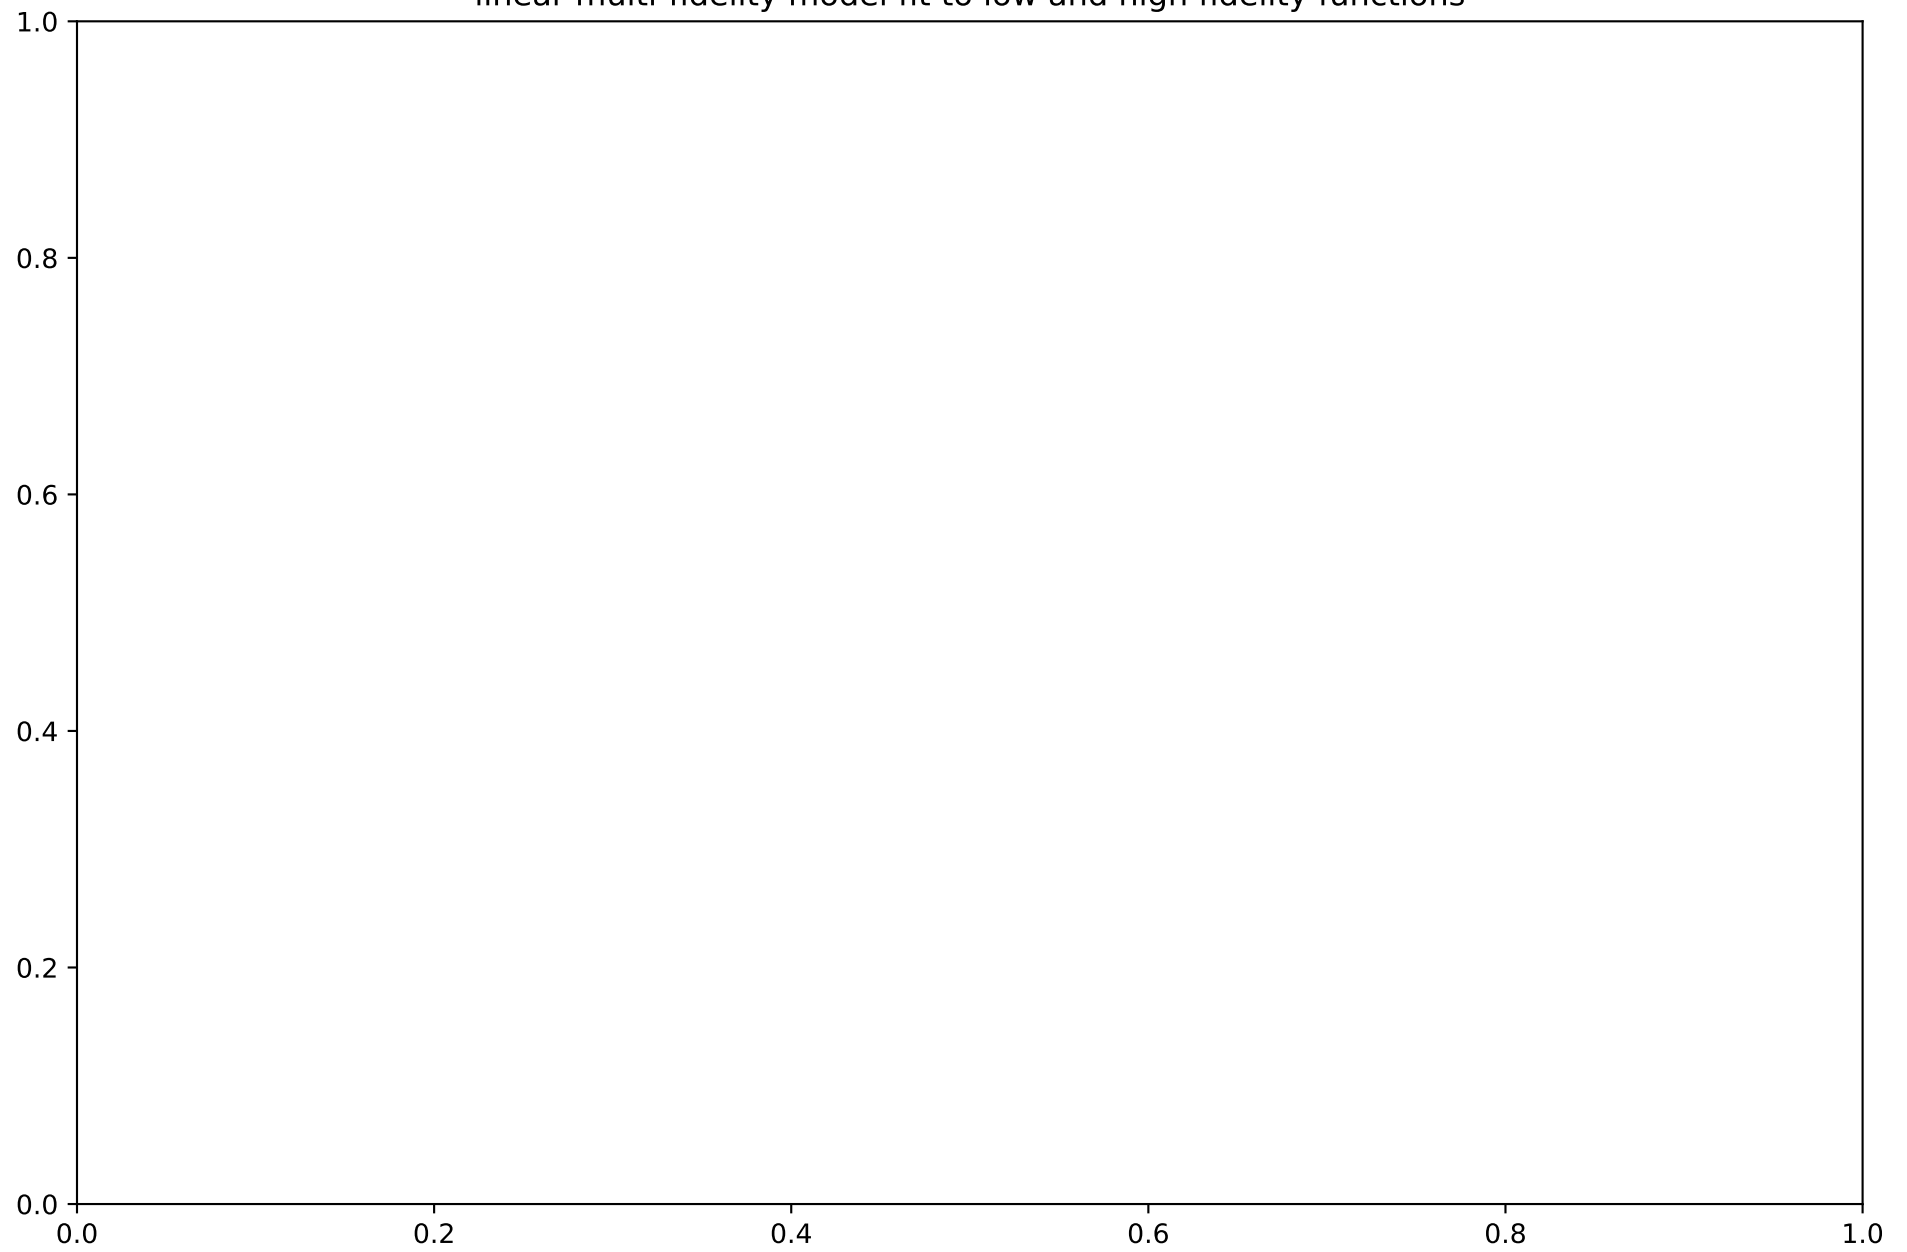

linear multi-fidelity model fit to low and high fidelity functions

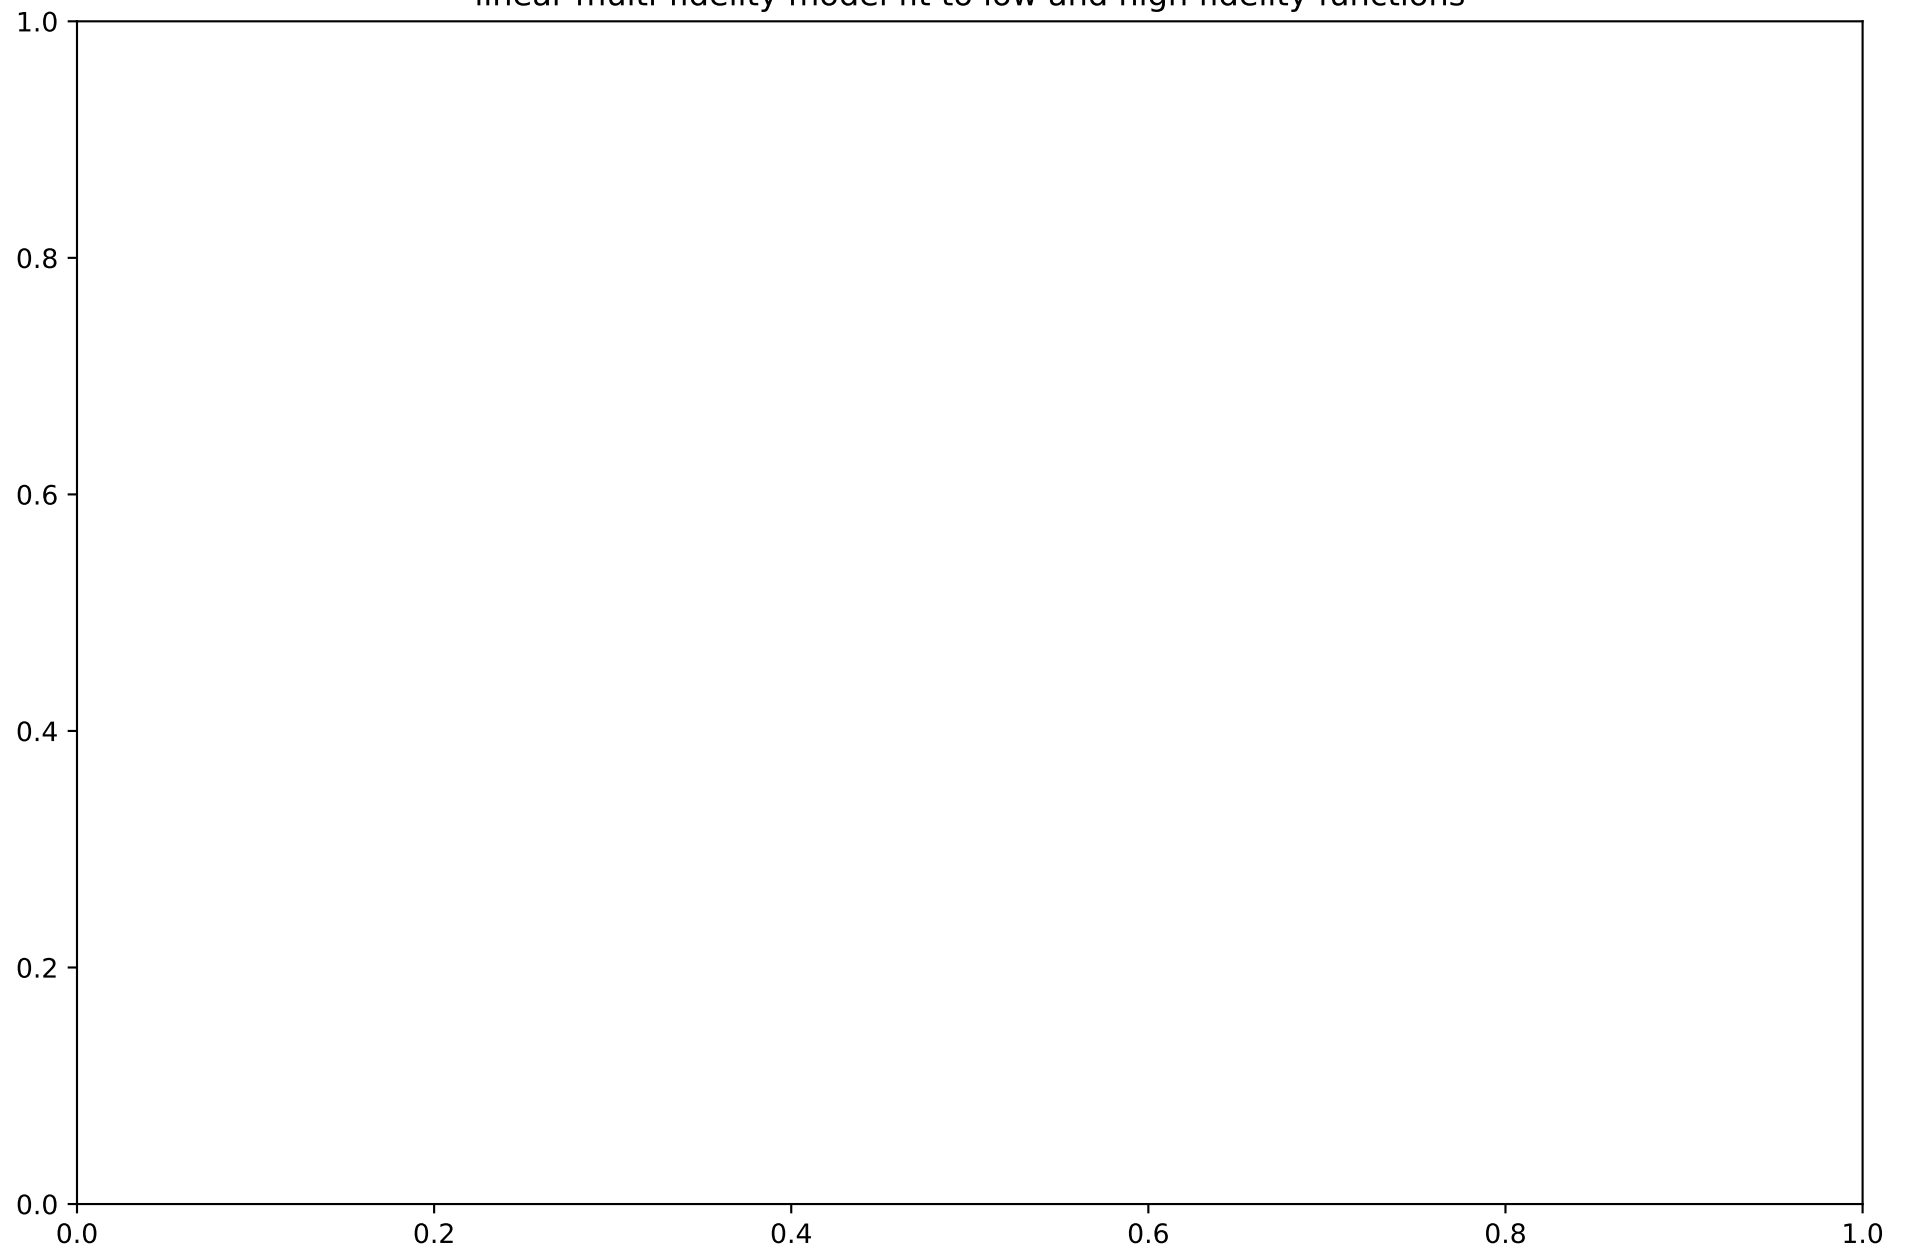

linear multi-fidelity model fit to low and high fidelity functions

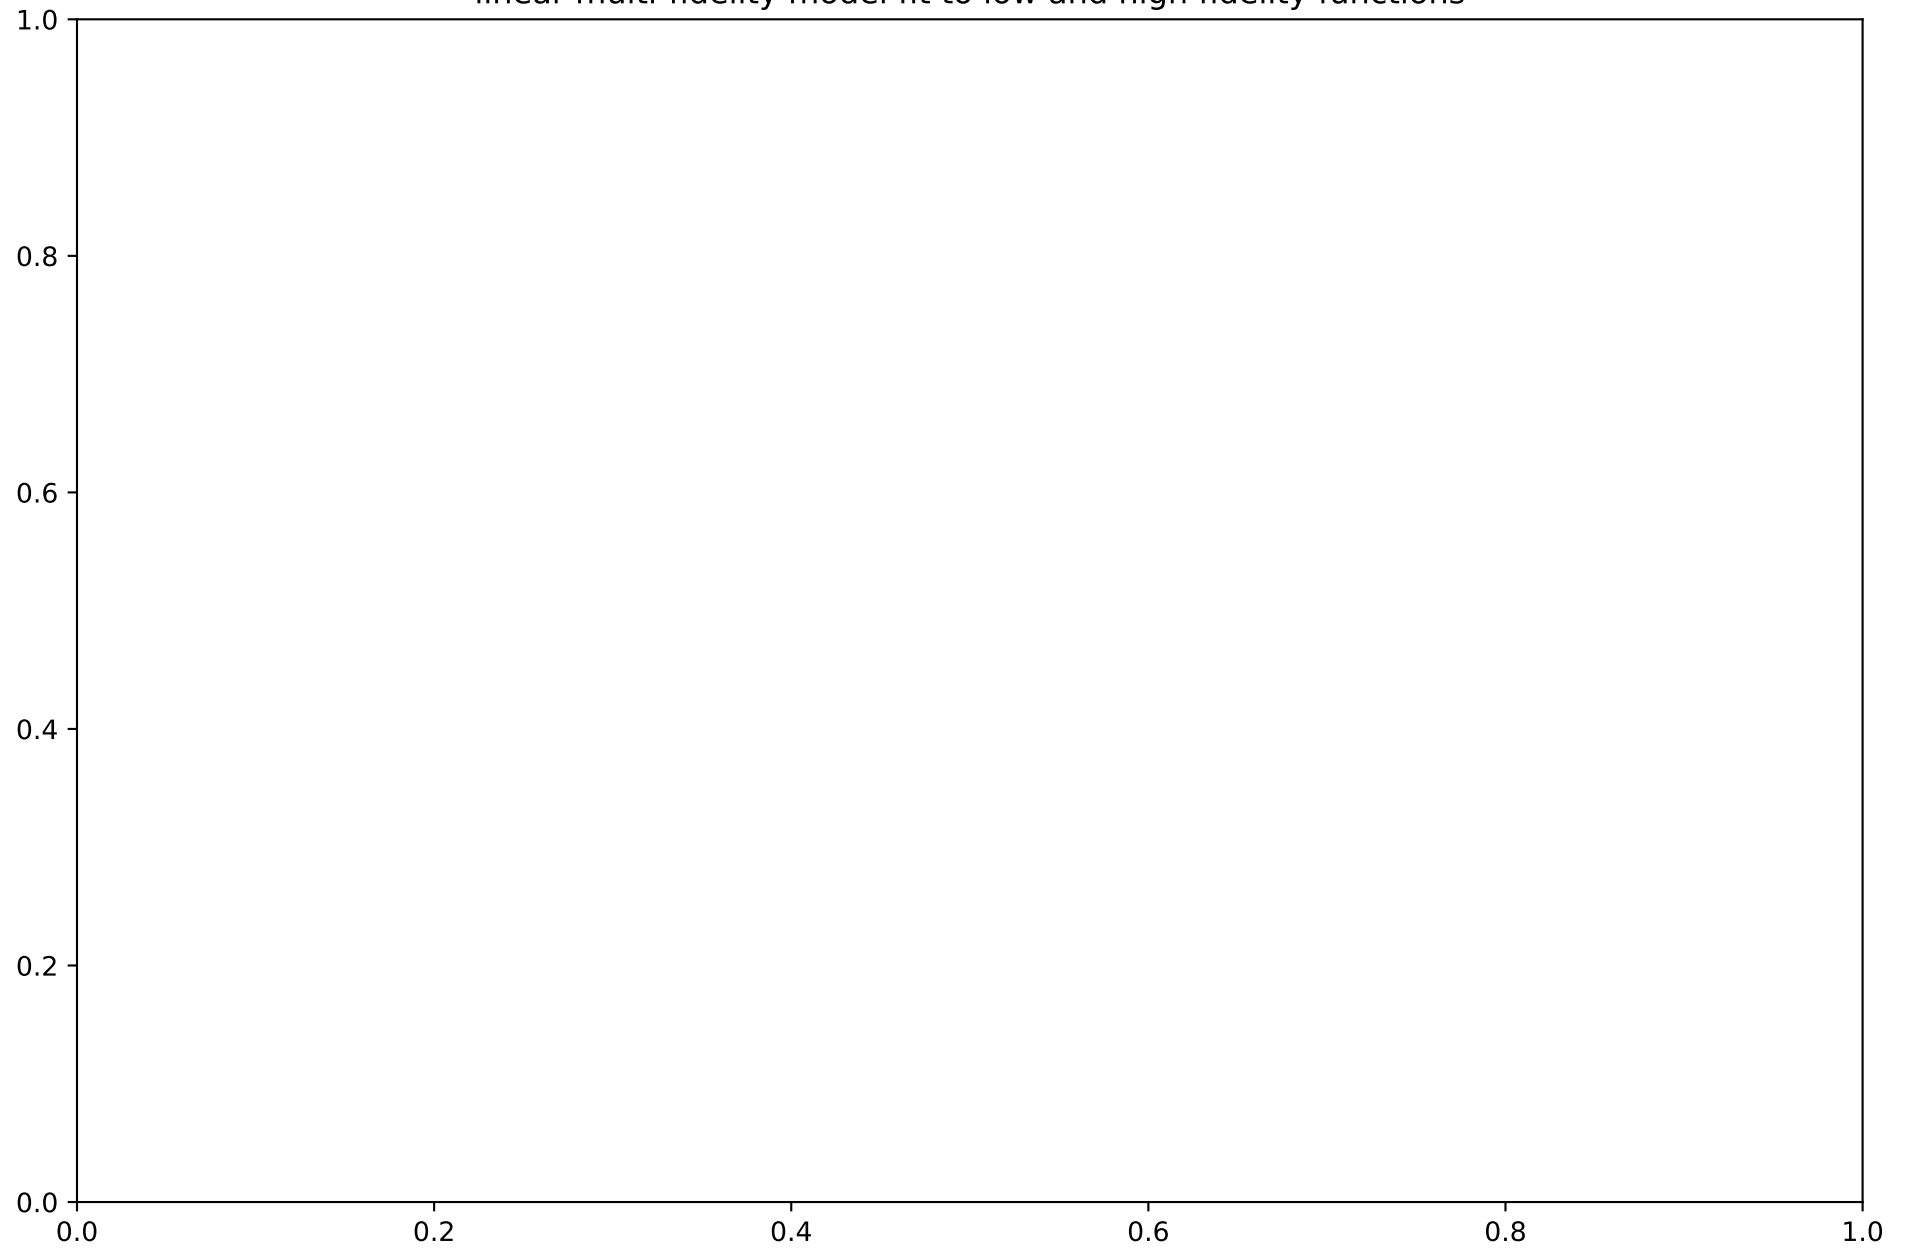

linear multi-fidelity model fit to low and high fidelity functions

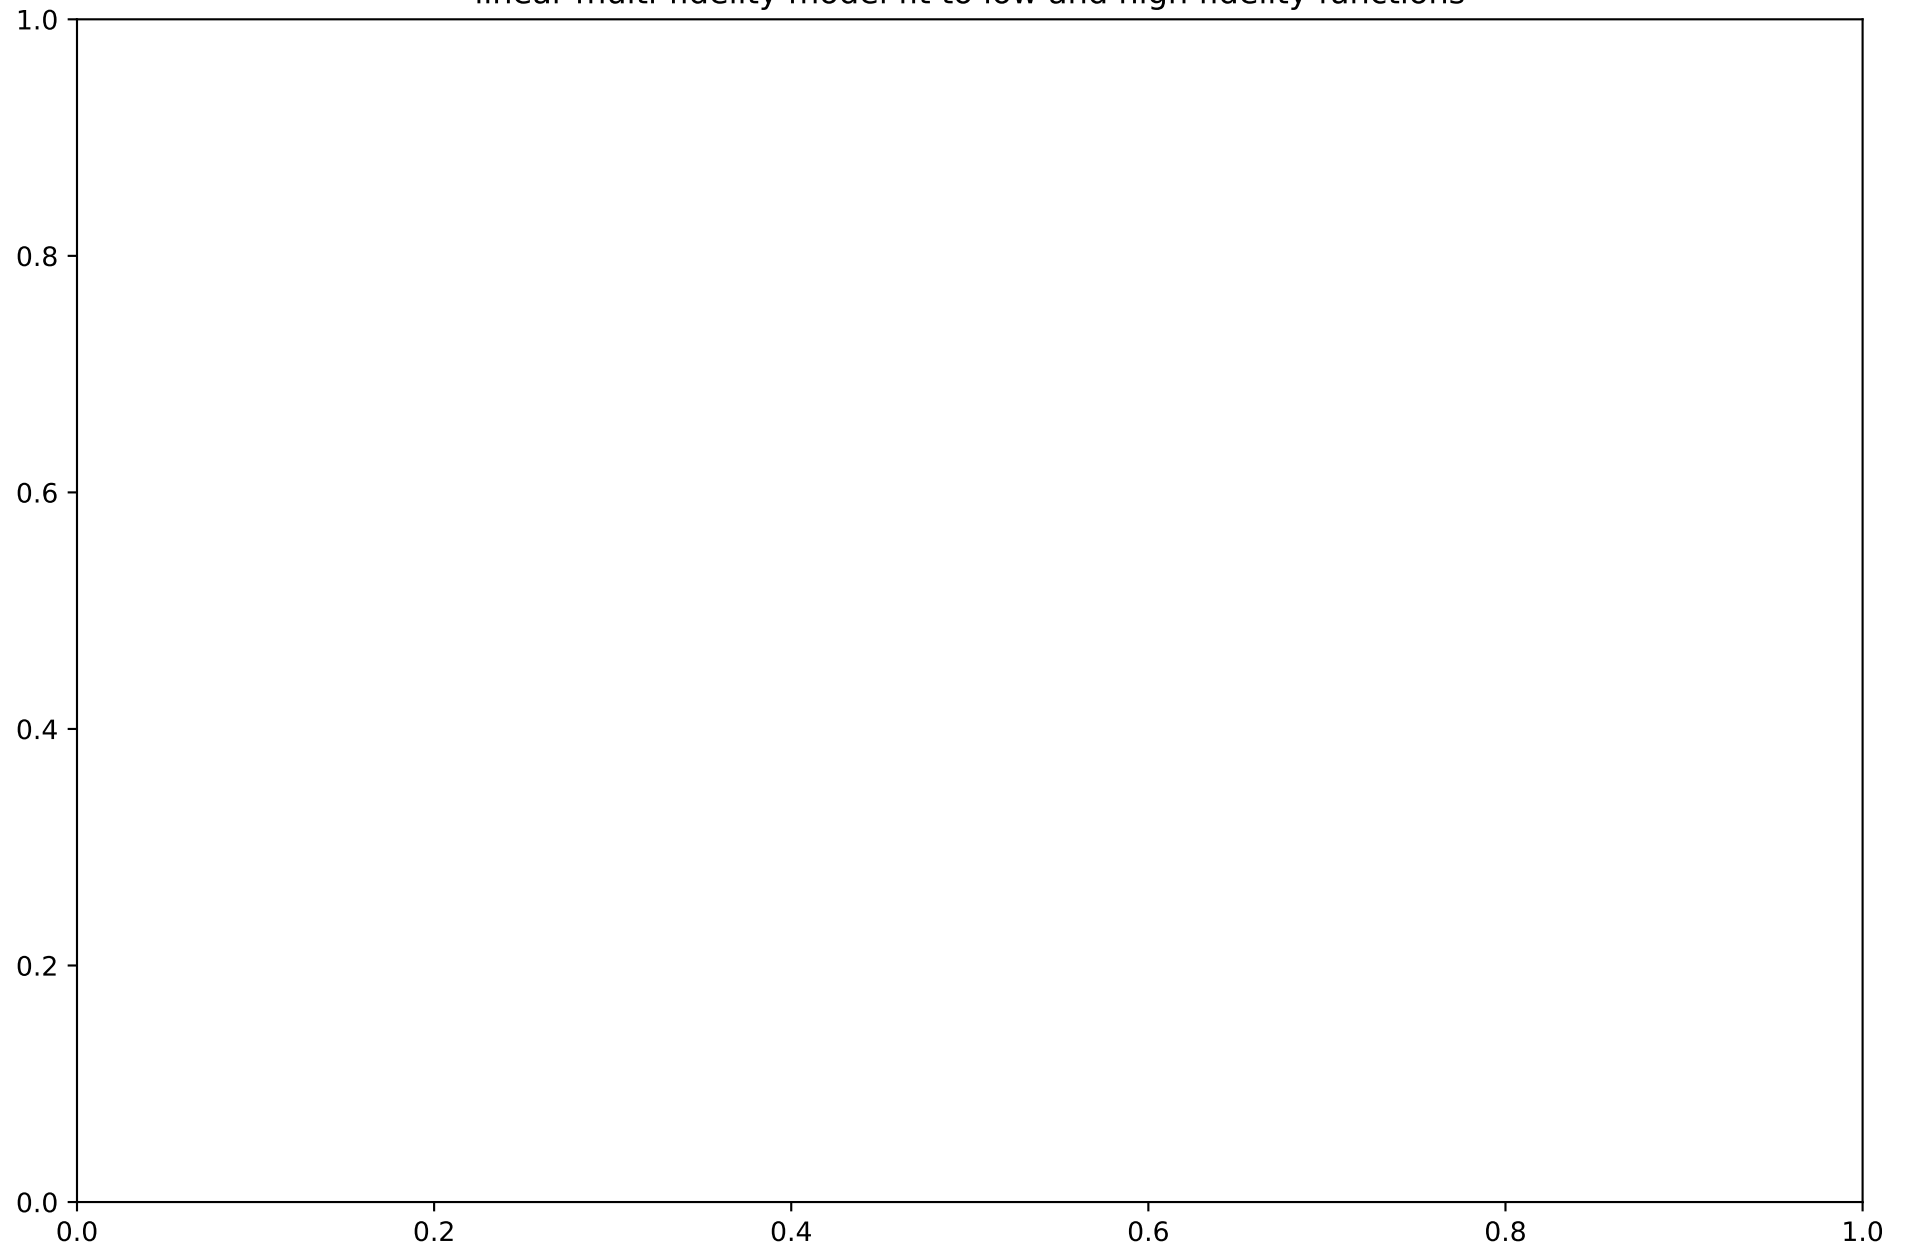

linear multi-fidelity model fit to low and high fidelity functions

linear multi-fidelity model fit to low and high fidelity functions

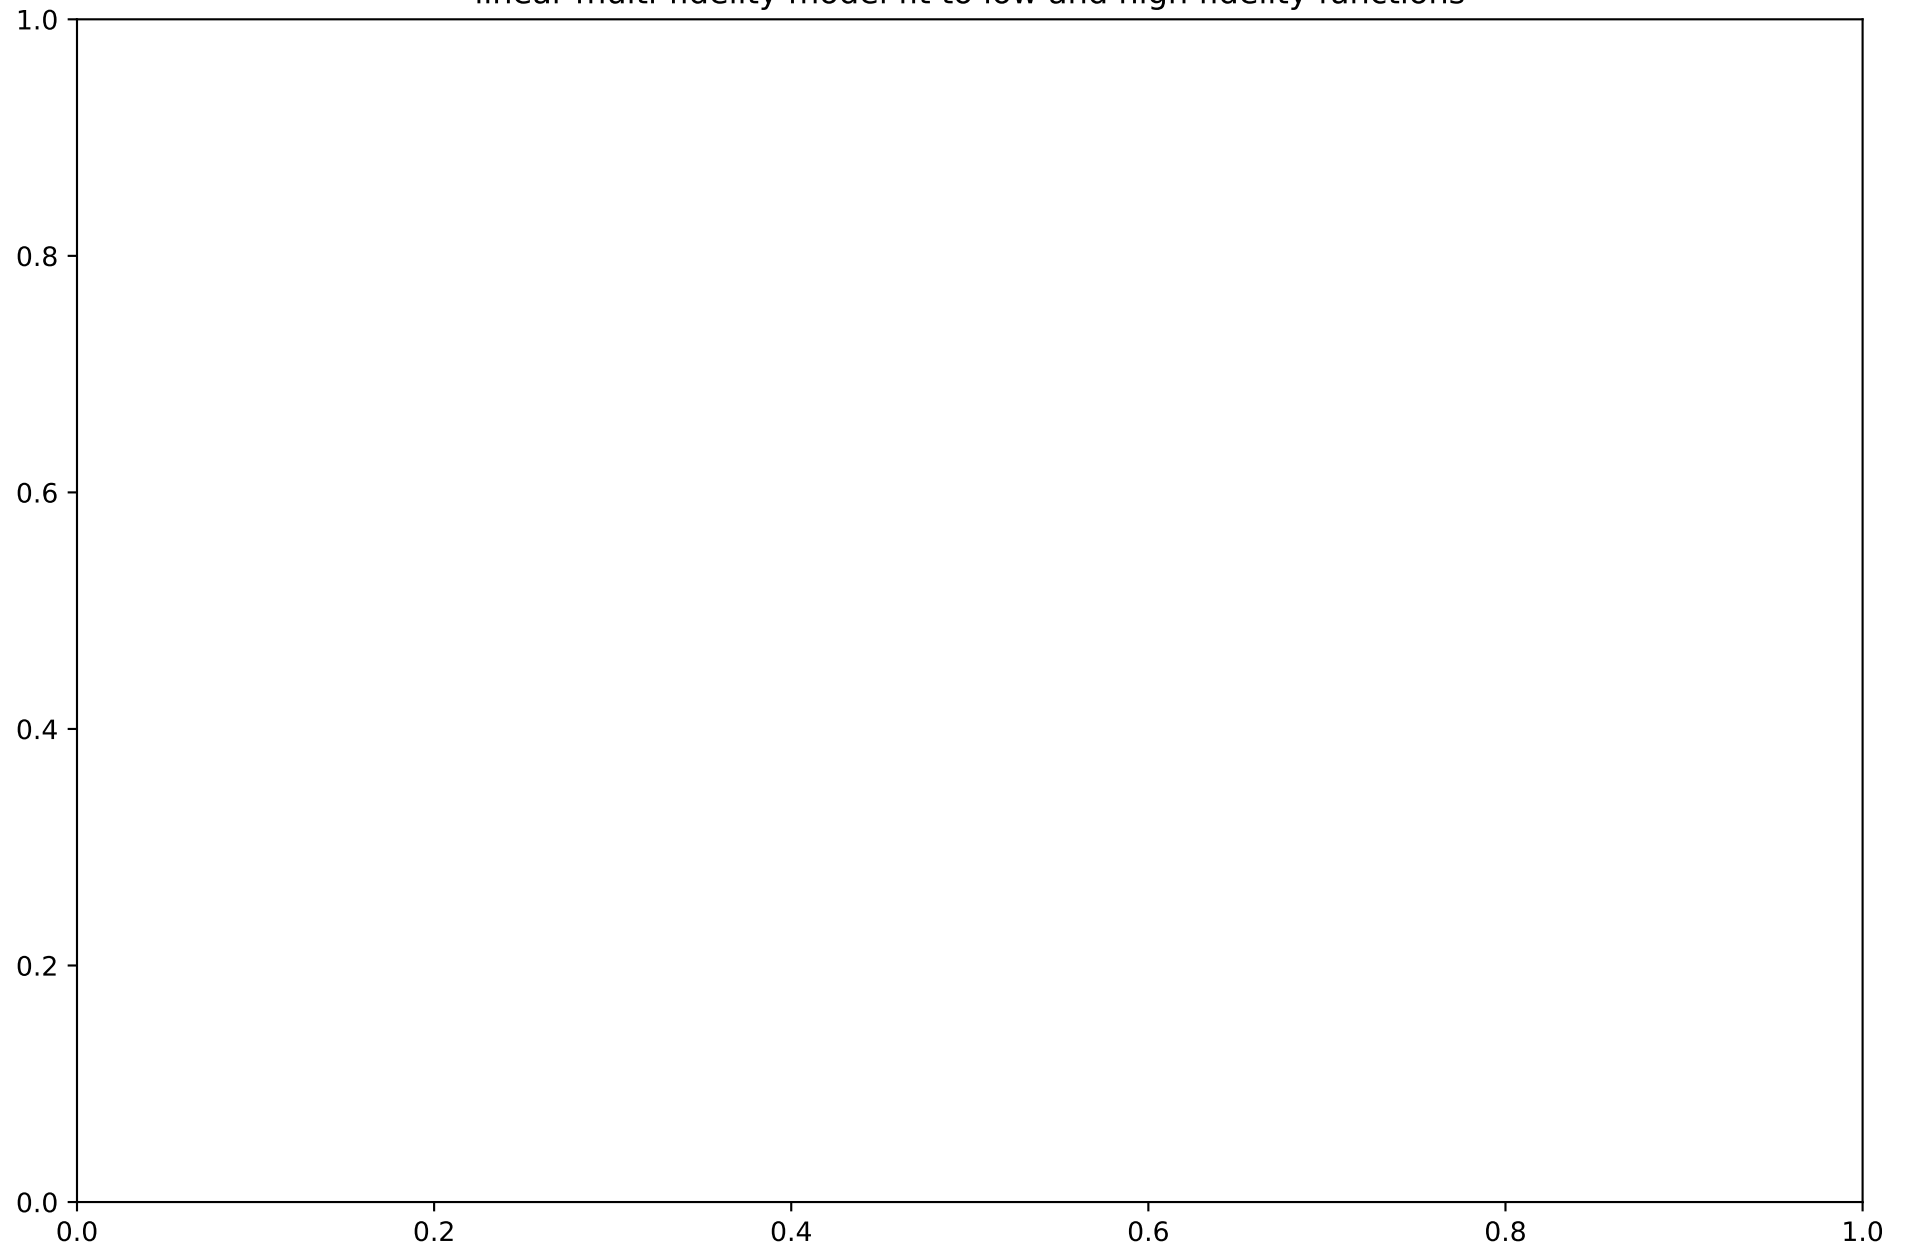

linear multi-fidelity model fit to low and high fidelity functions

linear multi-fidelity model fit to low and high fidelity functions

linear multi-fidelity model fit to low and high fidelity functions
